HP ScanJet Pro 4200 s1

Compact. Versatile. Pro performance.

Stay ahead of the demands of your business using the HP ScanJet Pro 4200 s1. Zip through front-desk paperwork with workflow automation and scan a variety of documents from passports to invoices with exceptional clarity—all in a compact design.

HP ScanJet Pro 4200 s1

Easily scan passports and documents of all types

- Get ease of use, with direct, front-enabled passport and ID scans, without having to use a carrier sheet.
- Keep fragile documents preserved, with the Low-speed mode, which protects thin papers while scanning.

Save time and boost productivity with fast scanning speeds

- Load your documents for scanning and go about your day with the fast, 50-page Automatic Document Feeder.
- Get fast scanning with speeds up to 40 pages/ 80 images per minute[1] - recommended for 4,500 pages per day.
- Save time and reduce waste with two-sided scanning that captures all your data in a single pass.
- Capture a wide range of documents—even stacks of mixed media sizes and types—with HP EveryPage.

Streamline tasks with automated workflows

- Passport MRZ OCR directly extracts key data like name, passport number, nationality, and issue date.
- Save time and simplify your scan jobs with HP Scan software.
- Scan documents directly into various solutions with included and full-featured TWAIN, ISIS® and WIA drivers.
- Save time with a device that recognizes a passport or ID card in the front-enabled entry, and auto scans it.

Safeguard your scans from malware

- Get advanced security with HP Secure Boot, which automatically checks and repairs the BIOS during start-up.
- Firmware code-signing validation keeps untrusted firmware updates out of sight, with whitelisting checks.

Product walkaround

1. Document input tray with extension
2. Sliding paper guides
3. Latch to access paper path
4. Document output tray with extension
5. Power, Scan and Cancel buttons
6. Front-enabled scan entry for passports and Id-card scans
7. USB host for connecting USB flash drives
8. USB 3.0 port

Series at a glance

Model	HP ScanJet Pro 4200 s1
Product Number	8Q4W2A
Scan speed	Scan up to 40 ppm/80 ipm[1]
Passport/ID Feeder	Front-enabled scan entry for passports and ID-card
ADF	50-page ADF
Software	HP Scan
Recommended duty cycle	Up to 4,500 pages per day
Connectivity	High-speed USB 3.0

[1] Scan speed measured at 300 dpi (black-and-white, grayscale, and color). Actual processing speeds may vary depending on scan resolution, network conditions, computer performance, and application software.

HP Services

Downtime can have serious consequences, so HP provides support beyond the standard warranty. You benefit from reduced risk, maximized uptime, predictable service delivery and no unbudgeted repair costs. HP Care Pack Services provide a comprehensive suite of protection services designed to keep HP hardware and software up and running so employees can stay productive.
